

## Hidden in Plain Sight - Anagrams

Odette and many, many other Jewish children were “hidden in plain sight”, disguised as something they were not. These anagrams are hiding another word. An anagram is a word which is made from another word by changing the positions of the letters. Read the clues and find the hidden words by rearranging the letters of the bold words below. Write them on the line.

1. Turn **STEW** into a cardinal direction. \_\_\_\_\_
2. Turn **LIVES** into a rock and roll star. \_\_\_\_\_
3. Turn **LAST** into a food seasoning. \_\_\_\_\_
4. Turn **LUMP** into a fruit. \_\_\_\_\_
5. Turn **SENT** into a home for birds. \_\_\_\_\_
6. Turn **RAIN** into a country. \_\_\_\_\_
7. Turn **LATE** into a story. \_\_\_\_\_
8. Turn **TUNA** into a relative. \_\_\_\_\_
9. Turn **MARS** into parts of the body. \_\_\_\_\_
10. Turn **FLOG** into a game. \_\_\_\_\_

Can you make up an anagram puzzle of your own, using a different word?

1. Turn \_\_\_\_\_ into \_\_\_\_\_. \_\_\_\_\_
