- 3 - Which crayon feels overworked?
- 4 - Which crayon needs a break?
- 5 - Which crayon would like to be used for more than just outlines?
- 8 - Which crayon is Duncan’s happy friend?
- 9 - Which crayon is unused?

## Across

- 2 - Which crayon would like to stay within the lines?

- 7 - Which crayon also believes that he is the “true color of the sun”?
